

Pappas Telecasting Companies' 'donation' of \$325,000 in airtime to Republican candidates in is an abuse of power and should not be tolerated. YOU have the power to stop this and we ask you to do so in the name of democracy itself. Nothing less is at stake! Do your job! Call on Pappas today.

Perhaps we should also rework the licensing requirements so that MORE public oversight is possible. This is intolerable.

Please help us.
